Foot-ball at the V. M. I., which has for
years been the most popular athletic

success. The material is very good, though success. The material is very good, though comparatively light. The old men who have returned are J. O. Steger, of Lexington; Captain and Full Back P. C. Harding, one of last year's tackles, is again trying for that position; C. Rice, left guard of last year, is also trying for a tackle; Staner and W. B. Montgomery, two of last year's backs, and J. Harding, guard, are at present in their old positions; P. Montgomery, guard of '96, is back, but incapacitated for playing. The substitutes who returned are Crump. centre; R. C. Marshall, quarter-back, and J. B. Ayers, end. Among the most J. B. Ayers, end. Among the most promising of the new men are L. H. Meem, centre; McBee and Anson, guards; Nelson, tackle; Biscoe and Lewis, ends, and W. D. Scott, half-backs. Some of these, under Groner's training, will doubtless prove themselves of great value to the team.

The practice has been going on for nearly two weeks, the team already show-ing a marked improvement over the team of '96. The play is quicker and harder

There were twen y-six applicants on the field the first twen y-six applicants on the field the first day of the regular play, and from these Captain Gregory has managed to select quite a doughty little eleven. He himself is already well-known in foot-ball circles as the captain of the famous 18% team of the University of North Carolina, and is still remembered in Richmond for his brilliant playing in the Thanksgiving game of that year, which so nearly lost the Southern Championship for the University of Virginia. It is needless to say that he keeps up his magnificent record while with the Pantops' boys.

One of the most stalwart linemen is Mc-Iver, now playing left guard. Other o'd men of last year's seam are Martin. Saunders, Barbour and McCulloch, Martin, brother of the 1836-97 end rush for Vir-

The past week has been one of hard,
earnest practice on the institute gridtron, and the young aspirants for football honors, under the direction of Coach
Charles Firth, have shown a marked improvement in their work. The number
of applicants has increased considerably.
In fact, there are so many promising new
men that it is thought there will be but
few of the last year's players on the
team this season. Mr. Firth is much encouraged at the outlook, and thinks that
with the material available, the team will
be one of the strongest in the State.

Of the members of last year's team, the
following are applicants this season:

Of the members of last year's team, the following are applicants this season: Johnson, end; Wood, tackle; Peiter, guard; Herbert, centre; Whitehurst, full-back; Ingles and Cochran, half-backs. The team sustains a severe blow in the loss of Eskridge, Tredwell, and Martin, who played such brilliant ball last season; but the new men are showing up very well in practice, and from all indications the team will be stronger than ever before. The work of the backs is worthy of special mention, and the line, especially the right side, is a veritable "stone wall."

THE NEW MEN.

THE NEW MEN.

The most promising of the new men are Bell, Rohrbeck, Pratt, Harper, Bean. Gwathmey, Killinger and Hardy. Their work of late has been very satisfactory, and it will be a hard race between them for the much-coveted positions for which they are applying. Bell has proven himself an excellent quarter-back, combining agility, speed, and precision with com-

Robribeck is a clever runner and tarkler, and the others have improved so rapidly in their work in the line as to threaten to push some of the more confident older men off the team.

The present line-up is as follows: Johnson, right end: Wood, right tackle; Pelter, right guard; Herbert, centre; Pratt, left guard; Gildersleeve, left tackle; Lewis, left end Bell, quarter-back Cochran, right half-back; Ingles, left half-back and captain; Whitehurst, full back Several changes will doubtless be made in this line-up before many days, in order to give the most promising of the new men a show.

The men are being trained by a graduate of the University of V'rginia, who is famous in foot-ball circles. He expresses himself as highly pleased with the progress the team is making and says that with a little more practice, the snap, dash and enthusiasm manifested by every member of the team, combined with that clock-like work, which makes the whole team a unit playing as one man, will strike more than one team with consternation during the coming season.

exciting character.

Coach Bergen, who is in charge of the Virginia team for the second year, is developing a strong eleven, and many supporters of the Varsity have great confidence in the ability of the team to administer defeat to the lads from Penn-

A trip will be taken through West Virginia, Tennessee and Kentucky, also to Washington on Thanksgiving Day.

At Nashville, Tenn., a game has been scheduled with the Exposition Guards on October 20th; with Vanderbilt on October 20th. On this trip the team will also play Central University at Lexington, Ky.; Centre College at Richmond, Ky.; and University of West Virginia at Charleston, W. Va.

The College boys arrived on the 11:30 train this morning, and were heartily welcomed by the Hampton Crabs.

The ball was put in motion at 3:50 P. M. Hull kicked off for Hampton, but the ball was cleverly caught and returned by McNeil, the full back of Richmond, who proved himself the star of the Richmond agercyation.

By superb work Hampton succeeded in carrying the ball to the goal line, which was made by Captain Holt.

Collier may be said to be alone in applying for right guard, but his place, in case of his being injured, could be easily filled by placing Fulton at guard.
